

# Lakeside High School

## Work Permit Application

In order to receive a work permit, you must fulfill the following requirements:

1. Complete the attached work permit application. Be sure that all signatures are present.
2. Have a 2.0 GPA in the last grading period and continue to maintain a 2.0 while working. Those who do not have a 2.0, must speak with Mr. Kaiser to see what options are available.
3. Not have excessive absences (no more than 18) or tardies in any class.
4. Turn in the completed Work Permit Application along with signing below to Mr. Kaiser in room #403. Either hand it to Mr. Kaiser or slide it under the door.
5. Work permits take 2 days to be processed. Work permit can be picked up before school or during lunch, from Mr. Kaiser in room #403.

I have read the requirements for obtaining a work permit and I understand that if my GPA falls below a 2.0 or my absences exceed 18, my work permit will be put on probation or revoked.
